

All-In-One Virtual Assistant Platform for Restaurants

ACTIVATE YOUR VIRTUAL ASSISTANT TO HELP MANAGE & GROW YOUR BUSINESS NOW.

Do you accept phone orders? With Payroc's all-in-one virtual assistant, you can sail through rush hour and cut down phone calls while enhancing your guests' experience. Increase your order volume and revenue by using multiple contactless payment options that turn into prepaid receipts, all before pickup.

Give Your Restaurant Digital Superpowers

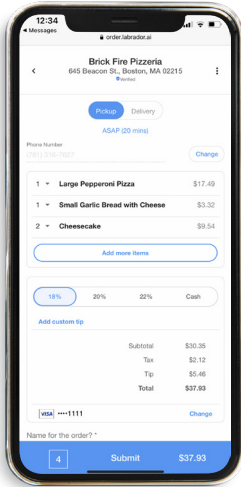

Seamlessly integrated across all of your business assets. Your customers will be able to select their order to be picked-up, delivered, dropped off curbside, or even placed tableside. All available straight from their phone and without the need to download an app.
